The information in this handbook covers the conditions on which the hire is made and the restrictions placed by Local Authorities on activity in the hall and the surrounding area. Signature to a Hiring Agreement commits the Hirer to their observance. Hirers should therefore read this information carefully, and consult the Lettings Secretary who is the authorised representative of the Management Committee or, if unavailable another Committee member, if they are in any doubt as to the meaning of any items. For the purposes of these conditions the term Hirer shall mean an individual Hirer, or where the Hirer is an organisation, the authorised representative whose name appears on the Hirers' Agreement Form.

3. STANDARD CONDITIONS OF HIRE

- 1.** The Hirer, whether an individual or an organisation, can hire the hall subject to availability and to the consent of the Village Hall Management Committee. Priority will be given to local residents and organisations within the village.
- 2.** The hall will be unlocked for the period of hiring and the Hirer shall ensure that the hall is not left unattended at any time during that period. Provided however that if the Hirer does have occasion to leave the hall unattended during the hire period the Hirer shall ensure that the hall is locked.
- 3.** If the Hirer is in any doubt about how any equipment provided in the premises should be used the Hirer shall seek advice from the Lettings Secretary or another member of the Management Committee on the use of such equipment.
- 4.** Keys. A set of keys is held by all committee members. One of the management will normally open the hall for the Hirer. If this is not possible the Hirer will be given the code for the secure key box. At the end of the hiring the keys must not be taken away and must be returned to the key box adjacent to the front doors.
- 5.** At the end of the hiring the Hirer shall be responsible for leaving the premises and surrounds in a clean and tidy condition. All rubbish must be taken away by the Hirer. If rubbish not taken away the security deposit will not be refunded. Under no circumstances shall food or alcohol be left on the premises overnight. If the Hirer wishes to leave any other items or equipment overnight then this must be discussed at the time of hiring and consent obtained from the Lettings Secretary or another member of the Management Committee.

4. USE OF PREMISES

1. General

The hirer shall not use the premises for any purpose other than that described in the Hiring Agreement and shall not sub-hire, or use the premises or allow the premises to be used for any unlawful purpose or in any unlawful way nor do anything, or bring onto the premises anything, which may endanger the premises or render invalid any insurance policies in respect thereof. If the Hirer has a special need then this should be discussed with the Lettings Secretary or another member of the Management Committee at the time of booking and written consent must be obtained from the Management Committee before these Conditions of Hire can be altered to accommodate such special need.

2. Purpose of Hire

Certain foods must be kept cold at a temperature no higher than 8°C, or if they are already cooked and waiting to be eaten hot, they must be kept hot at a temperature of at least 63°C. Regulation 852/2004 stipulates that foods subject to the temperature control requirements with regard to chill holding would include:

Please note that the above list is illustrative and may not be comprehensive.

Some limited flexibility in respect of holding temperatures is allowed in relation to food which is for service or on display for sale and covers:

- Food which is intended to be sold or consumed hot which may be kept at a temperature below 63°C only whilst for service or on display for sale, for a period of less than 2 hours and for one such period only; and food needing to be held at 8°C or below, which may be kept at a temperature above 8°C, only whilst for service or on display for sale, for a period of less than 4 hours and for one such period only.
